**FLEET:** Councillor Mick McCarthy, Cabinet Member for environment (left) and Tony Ralph, group manager for area and waste services.

## New cleaning fleet hits the streets

TWELVE new refuse lorries are now on the road in the borough to help the council achieve cleaner streets and a more efficient service.

The vehicles will be cheaper and greener to run and will also be able to go out on two shifts a day, meaning better value for

money, the authority said.

The new vehicles replace the previous nine-year-old fleet and will also reduce maintenance costs.

Ten new Schmidt street sweeping machines have also been taken on to replace the older models.

Councillor Mick McCarthy, cabinet member for environment, said: "This new fleet of vehicles demonstrates our commitment to cleaner streets and a high quality refuse collection service."

"Our fleet of environment vehicles is on the roads most days, and because of wear and tear it's nec-

essary to replace the fleet from time to time.

"By investing in these new vehicles we will save money in the long run because they are more efficient and can do a better job. Most important of all the fleet will allow us to continue to provide a good service to residents."

## REMPLOY WORKERS ALL SET FOR STRIKE ACTION

REMPLOY workers facing redundancy – including those in Barking – are set to take part in two 24-hour strikes.

Union Unite announced its members will walk out on Thursdays, July 19 and 26. A continuous ban on overtime begins tomorrow.

The action is being taken against the coalition governments plans to close or sell off the 54 factories that provide employment for disabled workers.

Unite members voted 59.7 per cent in favour of strike action and

76.1 per cent voted in favour of industrial action short of a strike.

The GMB members voted 79.5 per cent in favour of industrial action, including strike action and 87 per cent for action short of strike action.

Unite's national officer for the not-for-profit sector, Sally Kosky said: "This vote for strike action demonstrates our members' disgust at the way they have been treated by the government's policies which are designed to throw them on the dole queue at a very difficult economic

time. Work and Pensions Secretary, Iain Duncan Smith – the uncaring face of the coalition – has provoked this strike at Remploy by refusing to listen to the economic arguments.

"His decision is based on right-wing dogma.

"Our members are desperate to work in an environment that takes account of their disability and where they can make a valued contribution to society and pay their way."

Unite and the GMB have been

campaigning to keep the Remploy factories open as viable businesses. A total of 36 Remploy sites are due to close or be sold off in the near future, with the remaining 18 due to close or be sold-off next year.

Remploy was established in 1945 as part of the new welfare state, providing employment for injured soldiers and today is still a workplace for men and women returning from wars around the world.

Other than Barking, the only other Remploy factory in the capital is in Haringey, north London.

# Teen killers jailed

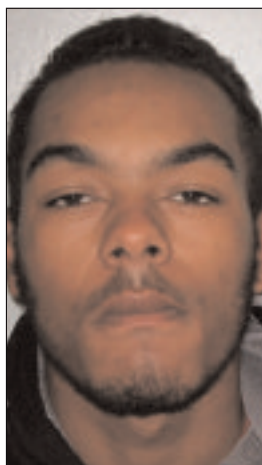

TWO men have been jailed for almost 30 years for the murder of a teenager in Walthamstow more than three years ago.

Wahab Zaaki was fatally stabbed as he stood with friends in a stairwell of a block of flats in Attlee Terrace.

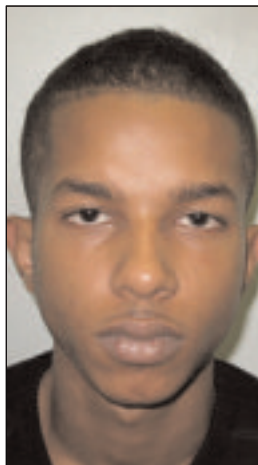

Kai Shannon, 20, from Islington, was found guilty at the Old Bailey of Zaaki's murder and was sentenced to life imprisonment with a minimum of 18 years for murder and a further eight years for GBH to run concurrently.

Abubaker Alawi, 21, who is from the Leyton area, was sentenced to nine years in a young offenders institute after being found guilty of manslaughter and a further three years for GBH to run concurrently.

Wahab was stabbed five times as he attempted to flee the flats at about 11.30pm on

**JAILED:** Kai Shannon.

**JAILED:** Abubaker Alawi.

March 13, 2009. He died before reaching hospital, while a friend also suffered knife injuries as he attempted to fend off the attackers.

During the trial it was revealed that Shannon and Alawi were known to the victim as well as a group called the DM Crew.

On the night in question various members of the group had gathered in the stairwell of the Walthamstow flats. The motive behind the attack remains unclear.

Acting Detective Chief Inspector Steve Meechan, who led the investigation, from the Met's Homicide and Serious Crime Command (HSCC), said: "This was a callous, cow-

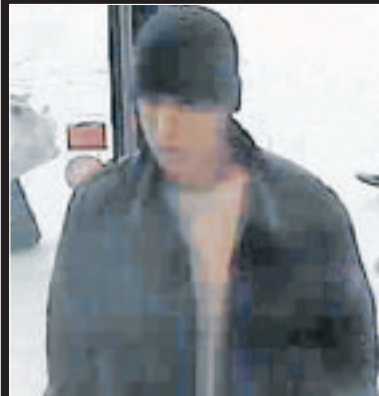

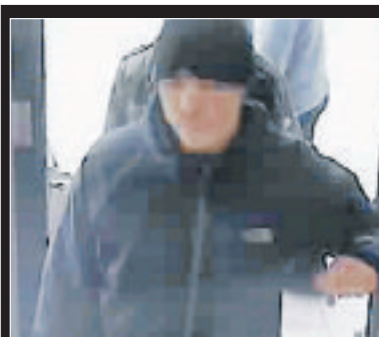

ardly and premeditated attack upon the young victim, by those he trusted as his friends. The motive for the attack remains unclear, the suggestion being a disagreement over an insignificant sum of money.

"It has taken three years to bring those responsible to justice. These defendants instilled within their peers a reluctance to assist police in this enquiry.

"The actions of these defendants have ended the life of a young man, leaving his family completely devastated. I can only hope that the sentence today, has in some small way, helped them to come to terms with their sad loss."

**VICTIM:** Wahab Zaaki.

PUPILS from three boroughs have taken part in a project to encourage cycling to school – including a bike polo competition.

The tournament, which was the first of its kind

in the world, took place at Redbridge Sports and Leisure Centre and awards were handed out by Mike Mullen, a former BMX World Masterclass Champion.

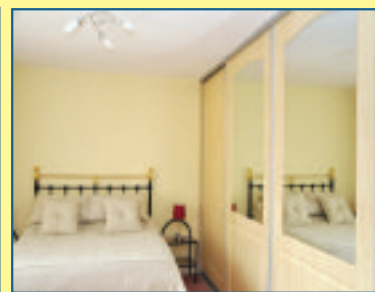

Valentines High School, in Cranbrook Road, Ilford, were the tournament winners, with Wanstead High School, in Redbridge Lane West, Ilford, in second place. The Palmer Catholic Academy, in Aldborough Road South, Seven Kings, came third to complete a clean sweep for Redbridge schools.

# Man jailed for robbery and thefts

A MAN has been jailed for more than two years after being convicted of a robbery and two thefts in the Leytonstone area.

Abdul Jamal, 31, of Lonsdale Road, was sentenced to 27 months imprisonment

at Snaresbrook Crown Court on Monday.

Jamal approached three teenagers in Leytonstone High Road in late October last year and told them they would be attacked by his friends if they did not hand over their

mobile phones.

He convinced a 16-year-old and two 14-year-olds to hand over their phones on two occasions in November.

Jamal was arrested on Tuesday, November 15, for the first theft after the victim saw him on Leytonstone High Road and called police.

Following a police investi-

gation, he was successfully linked to the second theft and arrested and later charged.

Detective Inspector David Spencer from Waltham Forest CID said: "Jamal used convincing stories and threats to make young victims hand over their mobile phones. I hope this sentence demonstrates that if you choose this path, we will pursue you relentlessly and work to bring you to justice."

**JAILED: Abdul Jamal.**

## Information needed on Wanstead Flats as a prisoner of war camp

MEMBERS of a historical society are trying to gather more information about the two-year period when Wanstead Flats were used as a Second World War prisoner of war camp.

Leyton and Leytonstone Historical Society has been studying this period and has unearthed some intriguing information about the camp.

Mark Gorman and Andrew Cole from the group said: "We believe it extended across the whole triangle of land bordered by Lake House Road, Dames Road and Centre Road and was opened as an offshoot of Camp 30, whose base was in Carpenter's Road, Stratford, soon after the D Day landings in June 1944.

"At its height it contained hundreds if not thousands of prisoners – mainly Germans but including other nationalities as well – before being closed down in May or June 1946."

The camp was a source of fascination and much gossip among local residents, many of whom came to view the prisoners from the other side of the barbed wire.

Mark and Andrew are hoping that residents in the area at the time can help fill in some of the gaps in their research.

Those with information can e-mail Mark on [lucagorman@aol.com](mailto:lucagorman@aol.com) or Andrew on [a.cole71@ntlworld.com](mailto:a.cole71@ntlworld.com)

## Council staff to get on their bikes to beat Olympic congestion

WALTHAM Forest is launching its new congestion busting bike scheme today (Thursday).

The authority has purchased a fleet of new bikes to help its staff to get from A to B during the Olympic Games, rather than have them waiting in traffic.

Council leader Chris Robbins and chief executive Martin Esom are among the council staff members to have pledged to take part in the scheme.

"It's about leading by example," Mr Robbins said. "We know traffic is going to be a real issue come Games Time and we've been doing our best to encourage local people to think about how they're going to get wherever they need to go while the Olympics are underway.

"Our staff are no exception, and while we're encouraging council workers to car pool or otherwise change their routines to ensure services run smoothly, these new bikes will serve as an additional way to ensure visits are not missed and local people receive the services and support they rely on."

The council has purchased 22 new bikes from a supplier in Chingford, taking its pool up to 30, which will continue to be used after the Games.

They were paid for with funding from central Government.

VISIT: Harry the Head found out about Asia on his trip to China Town.

## Rainbow of Nations

A MASCOT from Richard House children's hospice invaded China Town last week to help launch the hospice's Rainbow of Nations season.

The season looks to raise awareness of the hospice across the various communities it serves as well as celebrating the diverse nature of the capital and the arrival of the Olympic Games to the city.

Richard House will host a series of events including spe-

cial dinners served at the hospice by mums and dads and Harry the Head, the hospice's giant mascot, venturing out into iconic venues connected to each continent.

First up was Asia, and this week the mascot was in China Town. Harry the Head explored the New Loon Moon Supermarket where he was taught about the ingredients and cooking utensils used to make Chinese dishes by Bo Zhou - aka Joe - the store

manager. Following this he was treated to a delicious three-course meal at the Top of the Town Restaurant.

Joe said: "I was a bit surprised when Harry the Head came into the store but was very pleased to show him around. London is such a multi-cultural city and it is great that Harry is learning about Asia this week."

# Art exhibition unveiled

AN EXHIBITION celebrating the creativity and work made at Norlington Road gets underway tonight (Thursday).

When The Walls Come Down takes place in the studios at 66 Norlington Road, in Leyton, and is part of the Leytonstone Arts Trail.

The doors open today with an opening party from 7pm to 10pm featuring a live performance from Avant-Jazz band Grassy Noel & The Ape.

The exhibition is designed to showcase the work of 35 artists, from all backgrounds and disciplines, including professionals and to support those that have not exhibited before. There will be lots of original works prints

and postcards for sale at a price to suit all budgets.

Artist Carne Griffiths, who will be showing an example of a new large-scale print 'Stray Pleasures', said: "Norlington is one of the few creative

spaces left in Leytonstone that is able to house such an event and although it is tucked behind the old facade of the wallbrook works building on Norlington Road, there is a wealth of creative talent that

hide behind its walls."

The exhibition runs to July 22 and is open from 4pm-7pm on Monday to Wednesday, 4pm-8pm on Thursday, 3pm-6pm on Friday, 10am-5pm on Saturday and noon-5pm on Sunday.

## Art project held at day centre

AN ART project focusing on Aboriginal heritage is bringing out new talents at a Loughton day centre for adults with learning disabilities thanks to an art project.

Run by social care provider Essex Cares, the resource centre in Torrington Drive offers activities including games, gardening, music and movement, sign language and communication groups.

Most recently, the visitors have been testing their artistic abilities on canvas.

Progression worker Elaine Wrampling said the Aboriginal theme has been very popular with the customers. She said: "I have an Aboriginal friend, and he kindly donated some art that our customers could try to emulate. They have loved doing the painting as well as learning about a different culture. We're also looking at Mexican art at the moment and we often create displays about topical things like Euro 2012, so the activity as a whole is really helping to broaden their perspective on the world."

The resource centre is open between 9am and 4pm on Mondays to Fridays, with around 25 daily customers of varying ages.

# Pupils help local community

**HELP:** Students help wash a vehicle at Chigwell Riding Trust.

PUPILS from Chigwell School have taken part in a community day, which included helping in local nursing and care homes.

The pupils - the entire Remove year group and some Lower Fifth Year - took part in the day, which aims to give pupils the opportunity to take part in volunteering work for their local community.

The projects included ELHAP, a local adventure playground for disabled children and Chigwell Riding Trust, which provides horse riding for children with disabilities.

In addition, there was a work group based on the school site which had the task of carrying out on-site projects to support the school's environmental awareness.

Some of the students were allocated to nursing homes, such as Forest Place in Buckhurst Hill, and Belmont Lodge in Chigwell, and care homes for people with disabilities and their carers at Jubilee Lodge, the Vitalise holiday centre in Chigwell.

The pupils were supervised by school staff and worked hard on their various projects, whether it was physical labour or entertaining residents and patients with musical pieces, sketches or poetry.

Jason Porter, who co-ordinated the activity day, said: "Although there were many challenging elements for many pupils, the day made a real difference and the feedback from the residents and pupils alike was positive."

# Youngsters from Newham get one up on Team USA

HUNDREDS of young people from Newham have got one up on Team USA by training at the nation's Olympic training camp.

More than 250 young people on the Every Child a Sports Person (ECASP) programme have experienced the £21million SportsDock facility at the University of East London's Docklands Campus.

As part of the programme, students took part in training sessions at SportsDock with West Ham Boys Amateur Boxing Club and London Lynx Volleyball Club among others.

Students from local schools including Rokeby School & Royal Docks Community School were given advice on how to go about joining university and campus life in general.

David Cosford, director of sport at UEL, said: "We are delighted to be involved in Every Child a Sports Person, which enables local students the chance to use our brand new sports facility and develop sports skills outside of those traditionally taught in schools. Through ECASP, we are encouraging students who enjoyed trying a new sport to join a community club and to keep involved."

From September, local schools will have the opportunity to use SportsDock for weekly activity sessions, sporting competitions or organised school sports days.

SportsDock is now closed to the public until Thursday, August 16, as Team USA use it for their preparations.

## CONDITIONS OF ACCEPTANCE FOR ALL ADVERTISEMENTS

Orders are accepted by the Publishers subject to the Standard Conditions agreed between the Newspaper Society and the Institute of Practitioners in Advertising. Save that:

1. Advertisements are accepted on the conditions that (a) descriptions relating to goods are accurate and in no way contravene the provisions of the Trade Descriptions Act 1968, and the Fair Trading Act 1973, and (b) the copy complies with the British Code of Advertising Practice. Advertisements offering credit or hire facilities must conform to the Consumer Credit (Advertisements) Regulations 1980.

2. 'Classified' Advertisers offering goods or service of a business, commercial or trade nature will, at the discretion of the Publishers, be deemed 'Trade Advertisers', and as such, must include their names in advertisements. A telephone number is an optional addition to these requirements and not an alternative.

To comply with the Business Advertisements (Disclosure) Order 1977, Trade Advertisers must make it clear that they are selling goods in the course of business either by content, format, size or place of the advertisement or by including words such as 'trade', 'dealer', 'agent', 'wholesaler', '(T)' etc. in the advertisement.

3. The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:

- Any error, inaccuracy or omission in the printing or publishing of any advertisement;
- Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser; or
- Any delay in forwarding or omission to forward replies to box numbers to the Advertiser.

4. The Publishers will endeavour to publish advertisements on the day / date or day / dates specified by the Advertiser but insertion days / dates cannot be guaranteed.

5. Where shrinkage of advertisement occurs for whatever reasons the advertisement will be charged to the nearest full centimetre. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.

6. The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has already been accepted for publication.

7. Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion. Typographical or minor changes, which do not affect the value of the advertisement, do not qualify for republication or allowances.

8. All gross advertising rates (except classified line and semi-display) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertisers to help finance the self-regulatory control system administered by the Advertising Standards Authority.

9. All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.

10. Should the rate for advertisements be altered the price for remaining insertions shall be revised accordingly or the publishers shall have the right to cancel the unexpired portion of the order.

11. The placing of an advertisement order will be deemed an acceptance of these conditions.

12. Account facilities are granted at the discretion of the Company.

13. All accounts must be settled within the terms agreed by the Company and the Customer.

(1) Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that had been allowed will be reclaimed.

(2) Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 6% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that had been allowed will be reclaimed. Should Legal action be required the interest will be charged in accordance with the County Court Act 1984.

14. Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for an advertisement(s) should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.

15. All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.

16. All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.

17. The Publisher may provide voucher copies for published advertisements in electronic form only subject to certain criteria. Further information is available on request.

18. The copyright of advertisements produced wholly or partially by the Publishers belong to the Publishers. Advertisers may not reproduce such advertisements without the Publishers' consent.

### Box Numbers

Boxes are open for the receipt of bona fide answers and are not available for distribution of trade canvassing matter. Original testimonials, goods, cash, cash stamps or payments of any kind must not be enclosed. A box Number and postal address are charged as part of the advertisement, i.e. Box No., centre address. There is no charge for forwarding replies.

Box numbers alone are not available for use in 'Trade' advertisements, other than Employment and Business Opportunities.

### Holiday & Travel Category

All advertising must contain the name of the advertiser, phone number alone are not permitted.

### Data Protection

The service you have requested may require us to carry out a credit search at a credit-referencing agency, which will record the fact that a search has been made. We may need to share your information with other lenders and credit reference agencies. However, we will only use the information from these searches to make credit-granting decisions and, if necessary, for fraud prevention or tracing debtors.

Data controller will use your information for administration and analysis. We may share your information with other Tindle Group Newspaper companies or carefully selected third parties. We, or they, may send you details of other goods and services, which may be of interest to you. The information may be provided by letter, telephone or other reasonable means of communication. Calls may be recorded or monitored for training purposes.

Special conditions apply with regard to the advertising of adult services, which are outlined to all persons submitting such advertisements.

## Relegation fears deepen for Spartans

### American Football

ESSEX Spartans came up short against old rivals Kent Exiles on Sunday, going down 10-7.

After last week's heavy defeat at the hands of the Berkshire Renegades, the Spartans knew only a victory would ensure the team would not face a relegation battle as the season draws to a close.

Quarterback Steve Watson started for the Billericay-based Spartans as they looked to generate an offensive spark, but a miscommunication between Watson and Samuel Clarke resulted in the Exiles intercepting the ball on the Spartans opening drive.

Ten plays later, the visitors opened the scoring, and with the successful two-point conversion, took an 8-0 lead.

The Spartans were handed a lifeline when a penalty gave them a first and goal rather than a three-point Aaron Davidson field

goal, but another mis-cue from Watson resulted in the Exiles ending the drive with an interception deep in Spartans territory.

However, shortly after Spartan Nick Mayer

secured his first of three interceptions on the day and returned it for a touch-down, and with Davidson converting, the lead had been cut to 8-7.

The Spartans defense

ended another Exiles drive deep in Essex territory, but the Exiles were able to extend their lead when they recorded a two-point safety to go into the break leading 10-7.

The second half saw both teams put together good plays on both sides of the ball, but neither was able to trouble the scoreline.

With Watson replaced in the Essex lineup by James Dawson, the home team found themselves with a chance to steal the victory late in the final quarter, but after two long passing plays there were unable to convert and the Exiles took a knee to end the game as 10-7 victors.

Spartans head coach, Marc Saunders, said: "The actual result of this game was not as important as how the team needed to face it after last week's massive defeat, and I'm proud to say every Spartan who took the field faced it with Spartan fire in his heart."

The Spartans next face the Cambridgeshire Cats in July 22, before the team's final game of the season at home against the Cats on July 29 at Hannakins Farm, Billericay.

## BMW racer takes Donington victory

### Motorsport

A RACING driver from South Woodham Ferrers was tasting champagne after taking his first win of the season.

Kevin Denwood has been racing this year in the new BMW Compact Cup run by the 750 Motor Club. The championship headed to Donington Park near Derby, Leicestershire, for their latest rounds.

Qualifying started in damp condition but soon dried up for Denwood to put in quick laps for a fourth place grid start out of 22 cars.

The start saw Denwood stay in fourth position but by the end of the first lap, he had gained a spot to move up to third before the race was red flagged

for an incident on the track.

Denwood said: "On the restart I was third on the grid. Three laps into the race I managed to secure second position on the hill up to Coppice Corner and throughout the race shadowed first position of Andrew Tsang, who just managed to beat me to the chequered flag by 0.3 seconds."

Lining up on the front row for the second race, Denwood got what he called was his 'best start of the season', to secure first into the first corner.

Denwood added: "I concentrated on getting my braking and turning points right which enabled me to gain a comfortable lead. In the final couple of laps the chasing pack were getting closer, but I kept a cool head, and despite my tyres going off, I took

the chequered flag in first by 0.59 seconds."

The result leaves Denwood third place in the championship with only six points separating the top three, with the seventh and eighth rounds taking place at Anglesey, Wales, on Sunday, August 5.

"I'm hoping for a good result here, maybe not a podium finish as I have never raced there before," added Denwood.

# Comfortable wins for leading two

### Shepherd Neame Essex Cricket

#### PREMIER DIVISION

TOP met bottom on Saturday and the match went to form with Chelmsford winning by six wickets over Ardleigh Green.

Chelmsford were devastating with the ball, dismissing Ardleigh for 90 as Nisarg Patel took 5-9 and Tom Craddock and James Clifford claimed two wickets each.

Chelmsford's batsmen were never stretched as they eased to the victory, Nick Prowling hitting 33 off 49 balls.

Wanstead & Snarbrook are 13 points behind Chelmsford in second thanks to a comfortable ten wicket win against South Woodford.

Maurice Chambers (4-40), Mohammed Fayyaz Khan (3-28) and Joe Ellis-Grewal (3-28) bowled well as South Woodford were gone for 136.

Wanstead's opening pairing of John Chambers (53 not out) and Arfan Akram (74 not out) kept Wanstead in the title hunt.

Colchester & East Essex are third after winning by 52 runs at Ilford in a rain-affected encounter.

Put into bat first, Colchester struggled to 147-

9 thanks to consistent bowling from Ilford.

With rain restricting Ilford to 44 overs, they failed in their chase thanks to the form of Gareth Fisher who took 7-47.

Fourth place Buckhurst Hill won by six wickets over Woodford Wells who remain in the bottom two.

Rain affected the game with Wells all out for 152 in 43 overs, Rob Petchey taking 6-53.

Buckhurst's innings was reduced to 35 overs but Josh Peters' unbeaten 79 was enough.

The match between Brentwood and Shenfield was abandoned.

#### DIVISION ONE

CHINGFORD were held to a draw at Hainault & Clayhall but still managed to extend their lead.

The leaders batted first to put up for 202-5 but rain affected fourth place Hainault's chase and a draw was called with the hosts on 74-6.

The gap is now 16 points over second place Hadleigh & Thundersley who went down by two wickets at Harlow.

They set a decent score of 164-9 as Tom Phillippe produced a knock of 59 but Harlow's batsmen kept the scoreboard ticking over in their chase which proved successful.

Bottom side Southend EMT drew their match at Hornchurch.

Hornchurch's M Ibrahim (60) and Southend's E Timoti (51) hit good innings for their sides.

The matches between Fives & Heronians against Loughton and Orsett against Upminster were abandoned.

#### DIVISION TWO

WICKFORD remain top but drew against third place Old Southendian & Southchurch.

Batting first, the leaders were dismissed for 135 as Michael Gridley and Adam Hunt took three wickets apiece.

Old Southendians' batsmen struggled to reach the target but hung on at 104-8 for the draw.

Horndon on the Hill were the only victors in the division, beating bottom side Basildon & Pitsea by eight runs.

Put into bat first, Horndon went for 177 as Mike Canavan scored well with 60 while Basildon's Lee Lewis took 6-54.

Despite a late knock of 50 by Mike Blerkom, Basildon's batsmen fell just short.

Leigh on Sea set a sizeable target of 287-6 in their match against Belhus, with Simon Burch (107) and James Pettitt (94) on form.

## Leopards to split up home fixtures

ESSEX LEOPARDS will again split their home games between Basildon Sporting Village and the Brentwood Centre for the 2012/13 season.

The Big Cats played the majority of their games at Brentwood last season, but their decision to play five post-Christmas games at the brand new Sporting Village was rewarded with big crowds.

They won the English Basketball League (EBL) Division One League, play-off and National Cup title last season.

The club recently changed their name from London to Essex Leopards and will join the British Basketball League for the 2013/14 season. They will remain in the EBL for next season to develop their fan-base.

Managing director Gareth Roberts said: "We're excited to be returning to two of the best venues in the EBL for the coming season."

"We hope to have a successful season and will have a lot of home games, so it makes sense to use both venues."

"They are near enough for fans from both towns to travel to the other venue, and we are hoping to build on some encouraging crowds at both Basildon and Brentwood in the second half of last season."

The Big Cats will open their home season at Brentwood on Friday, September 28 when Brixton Topcats are the visitors, and will return to Basildon two days later to face Medway Park Crusaders.

Both matches are in the National Trophy.

### Essex County Cricket

## Essex qualify

ESSEX have qualified for the FL t20 quarter-finals after their match against Hampshire was called off due to rain.

Both sides were awarded one point each in the South Group which put both sides through, although Essex qualified as one of the best third-placed teams.

They will travel to Somerset for the quarter-final.

#### DIVISION THREE

Belhus' batsmen struggled to match Leigh's run rate, Joe Joyce hitting 58, but they clung on to draw. Andrew Villani took 5-47 for Leigh.

Second place Harold Wood's match with Stanford Le Hope was abandoned, likewise Gidea Park & Romford and Westcliff on Sea.

BILLERICAY maintained their 12-point lead at the top thanks to their eight wicket win over Pegasus & Corringham.

The visitors were dismissed for 140 as Greg Hammond took three wickets, but steady innings by Paul Southgate (50) and Stuart Hynes (45 not out) made it a successful chase by Billericay.

Hutton kept up the pressure in second with a five-wicket victory at Benfleet.

James Crapnell took 4-42 for Hutton as Benfleet were all out for 142, but Hutton made a shaky start in their chase, and were 14-3 at one point as Ryan Pryor took three early wickets.

Pryor and Gareth Steed took two more but Hutton's Joe Bichard (65 not out) and Alex Pearce (38 not out) got Hutton back on track for the win.

The remaining fixtures were all abandoned.

Weigh it up for yourself – at Net Kitchens Direct's Walthamstow showroom you'll find great service and an extensive range of high quality products to choose from

**A** KITCHEN is at the heart of any home and finding the one of your dreams can be a lengthy process. While it is difficult enough to find the right kitchen for your needs, it is another matter altogether to arrange for it to be installed. If you take on the project yourself then you will have to source everyone involved from kitchen fitters to electricians, plumbers and tilers.

Mr and Mrs Jones from Leytonstone wisely decided they were not brave enough to tackle the whole project of designing their dream kitchen on their own. They didn't want to spend time recruiting an army of tradesmen to make it a reality either, instead they decided to call in the experts at Net Kitchens Direct.

They left their home in the capable hands of the company's craftsmen and skilled workmen so their every requirement could be attended to.
